Comment:

As a property owner in Ghost River Ranch, Huerfano County, I was not notified of any of the meetings and therefore, did not attend a meeting. I would like a detailed map (your Map # 8) showing the proposed use of land in Ghost River Ranch. The map you have on your website does not provide enough detail to see all of the roads in the ranch. We are in the process of building our permanent residence there and will be using our 70 acres for farming and grazing animals and are very concerned about the possibility of having large powerlines on or near our property. Thank you.
